

LEAVING A BEQUEST TO GLOBAL INTERACTION

THREE TYPES OF BEQUEST

An Unrestricted Gift to Global Interaction is the most favourable form of bequest as it allows us to use your donation in the areas of most need.

I give to Global Interaction Incorporated (formerly The Australian Baptist Missionary Society Incorporated), 597 Burwood Road, Hawthorn, Victoria, 3122 the sum of \$..... (or property or securities, describe) to be used in such manner as its Board determines. I declare that the receipt of the Treasurer or other proper officer for the time being of the said Association shall be sufficient discharge to my Executor for the said bequest.

A Designated Gift is when you specify how you would like Global Interaction to use your contribution. We will make every effort to respect your wishes, however in the event that its original purpose becomes inappropriate as situations change over the years, a provision in your Will permitting Global Interaction to redirect the funds is most useful.

I give to Global Interaction Incorporated (formerly The Australian Baptist Missionary Society Incorporated), 597 Burwood Road, Hawthorn, Victoria, 3122 the sum of \$..... (or property or securities, describe) for the specific purpose of..... (describe where you want the gift to be used), but if such purpose cannot in the opinion of the Board of the Association be achieved, then to be used in such manner as its Board determines. I declare that the receipt of the Treasurer or other proper officer for the time being of the said Association shall be sufficient discharge to my Executor for the said bequest.

A Residuary Gift provides for Global Interaction to receive whatever is left of your estate after specific bequests have been fulfilled.

I give to Global Interaction Incorporated (formerly The Australian Baptist Missionary Society Incorporated), 597 Burwood Road, Hawthorn, Victoria, 3122 all the residual and remainder of my estate (after payment of funeral and testamentary expenses and any duties payable on the estate before the residue is determined), to be used in such manner as its Board determines. I declare that the receipt of the Treasurer or other proper officer for the time being of the said Association shall be sufficient discharge to my Executor for the said bequest.

Global Interaction is a tax exempt organisation under Subdivision 50-B of the Income Tax Assessment Act 1997.
