## From the State Director

When we hear of the huge number of people in the world who are yet to hear about Jesus, it can be more depressing than challenging. But thank God that our task is not to reach each one of the unreached ourselves.

Our task is to work with Him

to plant a group of believers in each unreached people group. That group, following the Lord Jesus in its own distinctive way, will then be able to spread the Good News among its own people.

Of the six thousand unreached people groups in the world God has laid nine on the hearts of Australian Baptists through Global Interaction. **But for believers to grow among these groups, people need to hear and to see the witness of the Good News demonstrated by people who love Jesus.** That will only happen as His followers are sent to go and live among the people. That is where we have a vital role to play.

We believe God has challenged us in NSW and ACT to ask Him to raise up twelve new units (ie. singles/ couples/families) for cross-cultural service by the end of 2012: 12 X12. So I invite you to join with me in praying personally, and at devoted times in your churches, for the nine unreached people groups and for the realisation of our 12X12 vision.

## The plentiful harvest

There are still billions of people on earth who have never had the chance to hear Jesus' message of Life.

**Of the 16,000 people groups in the world, more than 6,000 are considered unreached.** These groups do not have access to the gospel due to cultural, linguistic, political or other barriers. Less than 1% of people in these groups are believers, and Christians in nearby areas are not reaching out to them.

Currently 96% of Christian workers and resources are concentrated on the third of the world who already call themselves Christian. A further 3% is dedicated to another third who already have access to the gospel. **This leaves a third of the world who have never heard the gospel, for which we have dedicated less than 1% of Christian workers and resources.**

### The injustice of the unreached

Percentage of Christian workers & resources

**World A** (33% of world) **World B** (40% of world) **World C** (27% of world)

**96%**

to people who claim to be Christian

**3%**

to non-Christians with access to Christian contact

**< 1%**

to unreached people who have no access to the gospel

## Please Pray

We are dependent on God for all that we do, and prayer forms the foundation of our work. Each person who prays for the staff and ministry of Global Interaction is an important member of the Global Interaction family.
