QUEENSLAND - NEWSLETTER OCTOBER 2010

Gi6pro is a generation of Christian professionals who would, in the spirit of Isaiah 6, the early believers and great mission movements in history, simply raise their hand under the call of the master and say, "here am I, send me!"

## From the State Director

I am taken aback every time I read the statistics (see right) of how many people are still yet to hear about Jesus, and the resources (or lack thereof) that the Christian world is putting into sharing the Good News.

There is something seriously wrong with this picture!  
**Whatever happened to making disciples of all nations?**

It is for this reason that I am passionately involved in the work of Global Interaction – **empowering communities to develop their own distinctive ways of following Jesus.** We are primarily focussed on nine unreached people groups in Africa and Asia. I am excited about the prospect of seeing Queensland Baptists with a rejuvenated passion for unreached people through greater missional engagement.

Therefore, **on 21 November I invite all Queensland Baptist Churches to join in a day of prayer for unreached people groups.** The third Sunday of November, set aside for the third of the world who are yet to hear about Jesus in ways that resonate with them. For more information, resources and to sign up your church, contact Mary-Ann in the Queensland office.

## The plentiful harvest

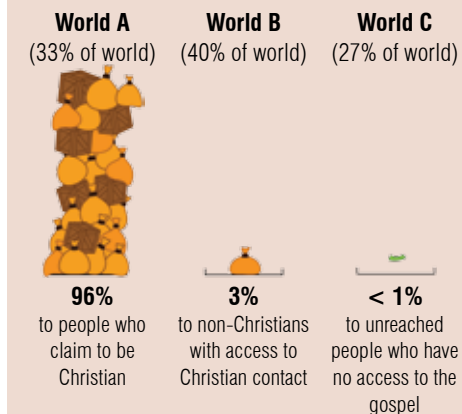

There are still billions of people on earth who have never had the chance to hear Jesus' message of Life.

**Of the 16,000 people groups in the world, more than 6,000 are considered unreached.** These groups do not have access to the gospel due to cultural, linguistic, political or other barriers. Less than 1% of people in these groups are believers, and Christians in nearby areas are not reaching out to them.

Currently 96% of Christian workers and resources are concentrated on the third of the world who already call themselves Christian. A further 3% is dedicated to another third who already have access to the gospel. **This leaves a third of the world who have never heard the gospel, for which we have dedicated less than 1% of Christian workers and resources.**
