WE NEED YOUR HELP...

Do you want to help raise funds for Global Interaction?
Do you live in Victoria and can volunteer some time, even as little as ½ a day per month?

The Victorian stamp team needs your help!

For 14 years, a major company has happily donated all of the stamps they receive on their daily mail, which contributes a huge amount of the stamps we receive each year. However, due to privacy reasons they can no longer give us the envelopes as well.

This means that we need people who are able to volunteer some time each month to cut stamps from envelopes.

The company is based in the Melbourne CBD, and is offering use of their office space and guillotine – we just need some willing helpers!

If you can help, or would like some more information, please contact Belinda in the Victorian office on 9880 6163 or belinda.waterhouse@buv.com.au.
